NOTICE: The Kittitas Reclamation District ("District") hereby gives notice that it will accept sealed Bids for the construction of the South Branch Canal Lateral 13.8 (SB-13.8) to Manastash Water Ditch Association (MWDA) Connection project. The anticipated bonding capacity required to execute the project is estimated to be in the \$100,000 to \$250,000 range.

Bid improvements consist of construction of pipe connection between the SB-13.8 lateral and MWDA pipeline and installation of valves, flow meter and other appurtenances in accordance with the contract plans, the contract provisions, and the specifications. The bidding documents contain the full work description and Project limit details. Work to be completed by April 1, 2019.

The District will receive sealed Bids at the location listed below until 2:00 p.m. local time on February 8, 2019, and will then and there open and publicly read the Bids for the construction of the improvements.

Kittitas Reclamation District
315 North Water Street
Ellensburg, Washington 98926

All Bidders can receive Complete sets of the Bidding Documents from the District Website www.krdistrict.org. All Bidders that would like to be on the District's Plan Holder List must register with Kevin Eslinger District Assistant Manager at kevin@krdistrict.org. After award of the contract, plans and specifications will be issued to the Contractor, if requested, at no cost.

Bidders are solely responsible for the cost of preparing their Bids. The District specifically reserves the right, in its sole discretion, to reject any or all Bids or re-Bids or to waive inconsequential deviations from Bid requirements not involving time, price, or work quality.
